

Midlands Air Ambulance is a charity that exists to provide patients with outstanding pre-hospital care and life saving intervention through the operation of helicopter-led emergency medical services (HEMS).

They respond to some of the most traumatic incidents including cardiac arrests, road traffic collisions and sports injuries.

The helicopters reach remote locations to attend to patients unreachable by land ambulance.

Each year this service costs in excess of **£10 million** to maintain.

This year the charity is celebrating its 30th Anniversary. Since 1991 it has logged nearly 64,000 missions and has grown to 3 helicopters and 3 critical care cars that cover the 6 counties of Herefordshire, Worcestershire, Staffordshire, Shropshire, Gloucestershire and the West Midlands. It receives no funds from the Government or the National Lottery.

Please give generously to help maintain this vital charity.

**Saving Lives, by Saving Time,
today, tomorrow and in the future.**

PUDLESTON VILLAGE HALL COVID-19 SAFETY

We are currently observing the latest government regulations calling a pause to the release of lockdown restrictions until 19th July.

**PLEASE HELP TO MAKE SURE
EVERYONE STAYS SAFE. BRING A MASK
AND OBSERVE SOCIAL DISTANCING.**

We are always keen to welcome new supporters. If you would like to become a supporter or find out more about what this would involve, please contact the hall secretary on rogfryer@hotmail.com
